This was my first time dining here based on a recommendation. I was more than pleased with the personal service and beautiful and delicious food!! My friends and I enjoy trying new places in the Nashville area and this one will be on our list of favorites and we are definitely returning again! Overall, it made for a great girls night out and excellent dining experience! Thanks to the Flyte chef and our friendly and knowledgeable server Todd!

One of the best restaurants that I have visited. It was more than a dining experience. What a great place to go with friends or for a romantic dinner. It will be at the top of the list when we visit Nashville again.

This resturant is one of the best when celebrating a special occasion. we had an Anniversary and ever member of the staff that came to the table shared Happy Anniversary wishes. The soup and Salad flytes are a meal by themselves. Everyone selected a different main course and all of them were outstanding. I highly recommend this to anyone that wants a unique and memorable dining experience

Absolutely outstanding on all accounts! The Aztec Chili Chocolate Cake is a must have. I would love to get the recipe. Great wine list with excellent prices, just don't look for the trite. While the restaurant was empty when we were there, it is possible for the noise level to increase as it fills up. This will be a 'must do' on any return trip to Nashville.
